DEDICATION

His ability to teach is surpassed only by his ability to communicate. As he would say, "Everyone is an artist; what kind of picture do you paint?" We, the class of 1973, dedicate the 1973 Blue Jay to Mr. W. J. Cuthbertson, an artist of the finest caliber.

PRINCIPAL

James O. Leonard

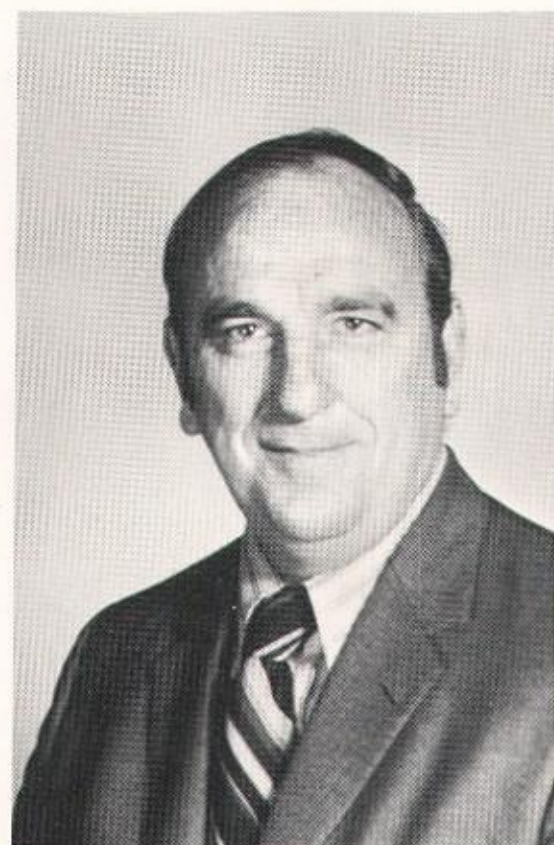

Seniors:

I appreciate this opportunity of expressing my gratitude for your participation in making 1972-73 a successful school year.

My best wishes go with you as you venture forth from this phase of your life to take your place in adult society. You will be facing a more complex, confusing period than any graduates in the history of this school. Your role in society can influence, to a great degree, the future of our country. We hope that we have played a major part in molding you into respected and responsible citizens.

May God bless each of you in whatever the future holds.

FARMERS ARE LOGGERS, TOO!

Farmers are America's largest group of woodland owners. They own almost a third of the nation's commercial forestland.

Mrs Moore,
 I was very lucky to have got
 to know you! You have been so nice
 to me! I thank you for all you've
 done for me! I hope to see you next
 year! Hang in there and stick with it!
 A friend always
 I hope, Connie

Mrs. Moore,

Well I said I'd never do it,
 but I have, almost! I thank you
 for all the help and understanding
 you have given me through my
 years at L.H.S. I have really enjoyed
 working with you and the principals
 during my 3 years of working. I
 feel I'm a part of the office and
 school. I know when I graduate everything
 will hit me then of how luck I was
 to be a part of Littleton High School. I
 guess I will further my education on so
 all that I have learned won't be wasted.

I guess I'll close this by saying thanks
 for putting up with me for 3 years and I'm
 sure in the years to follow that now and
 then I will return to L.H.S., if no reason
 but to visit you... May God be with you
 forever...

As always!

P.S. I forgot to Rose!
 thank for for
 all the sentences you
 made up for me and
 for telling me how to
 spell words! Dumb me!

AUTOGRAPHS

Mrs. Moore,

During the past year I have gotten to know you better. And I can truthfully say you are one of the nicest people I know. You really understand and care about what happens. I'd like to wish you the best of luck always and "May God Bless you Forever"
